STANLEY CUP MATCH DATES.

Ottawa, Jan. 2.—There is some difficulty in settling the dates for the contest for the Stanley Cup between the Shamrocks and the Winnipeg Victorias. The Winnipeg team suggested February 12th, 14th and 16th as the dates for the series of games. The Shamrocks replied that they have a game in Montreal on February 13th, and in Quebec, February 17th, and offered to play any dates between January 22nd and 29th, and February 22nd and 26th. The Winnipeg men say they cannot get away on either of the dates suggested by the Shamrocks, and have now suggested February 15th, 17th, and 19th.

HOCKEY DOUBLE HEADER.

Hamilton Victoria Hockey Club will open the season with a double header at the Victoria Rink, head of Victoria avenue, on Friday night. Two leagues will then have their opening games. QUEEN'S BLANKED AT OTTAWA.

Ottawa, Jan. 4.—The Ottawa hockey team beat Queen's here last night in an exhibition game by 5 to 0. The visitors were very much outclassed, although the Ottawas did not put up a first-class article, and it was only good defence work on the part of Hiscox and McDowall, of Queen's, that prevented a much larger score. The Ottawas had a strong defence, and the forwards played well individually, but there was simply no combination.

CHIPS FROM THE ICE.

The Preston W. O. H. A. team has dropped out of the league.

The Wanderers of Halifax will visit Montreal to play a series of matches there about January 20th.

Waterloo has defaulted to the St. George's in the intermediate series of the O. H. A. This gives St. George's the round.

In New York Monday night Yale was beaten by the Crescents by a score of 7 to 1. Guy Curtis, late of Kingston, played his first game with the Crescents at cover point. He scored one of the games.

tween the Wellingtons and Peterboro'. At Montreal last night in a benefit game for the widow of the late Jack Stinson and Herb Collins, who is seriously ill, the Shamrocks won from Montreal by a score of 6 to 1.

Secretary Beaton, of the O. H. A., says that the goal nets used in Montreal on Saturday night are rather crude. He thinks the association would be wise to wait until a few improvements are made before adopting them.

A picked Canadian team will play the Harvard University Seven at Cambridge, Mass., on January 15th.

TO-MORROW'S HOCKEY MATCHES.

Lovers of hockey will see the first games of the season here to-morrow night, when the Victoria Club will pull off a double-header at its rink, head of Victoria avenue. The senior game will be between the Woodstock and Victoria Clubs' first sevens. Woodstock, from all that can be learnt, is the strongest of the C. O. H. A. clubs this season, and is in good form, having had practice for two weeks. The Vics are putting their best available men through training.

The preliminary game will be between the Grimsby and Victoria junior teams of the Niagara District League.

HOCKEY.

TWO GAMES TO-NIGHT.

The opening games of hockey in two leagues will be played to-night at the Victoria rink. At 7.30 the Victoria juniors and the Grimsby club, members of the Niagara District Association, will meet, and at 8.30 two strong senior teams will begin a championship match. These are the Woodstocks and the Victoria first seven. As the net proceeds of the game are to go to the Hamilton patriotic fund, there should be a large attendance.

BANK LEAGUE GAME.

At the Thistle Rink to-morrow night the first game in the Bank League series will be played, the seven of the Bank of Hamilton meeting that of the Traders', Merchants' and Imperial combined, at 8 o'clock. The teams will be:

HAMILTON LOST BOTH GAMES.

Story of the Hockey Match is "Nothing But Goals."

HAMILTON TEAMS WEAK,

And the Woodstock Club Has a Very Strong Aggregation.

SULLIVAN AND M'FADDEN DRAW.

Hockey prospects for the season in Hamilton are not very bright if the showing made by the two teams of the Victoria Club at the opening games last night are anything to judge by. The only redeeming feature of the games was the attendance. The crowd was as large as the rink would accommodate, and, as the expenses were small, there should be a nice balance to add to the Hamilton Patriotic Fund. Both the Hamilton teams showed lack of practice, while in the senior match the Woodstocks were in fine shape, skating well and handling their sticks well. Still, a lot of dirty hockey was played, and one of the Hamilton seniors was so badly injured that he will probably not play again for a long time. Early in the game there was a lamentable occurrence right in the centre of the rink. Kenny Armstrong, of the Vics., in swinging around at the puck, struck Miller, of Woodstock across the legs. In an instant Miller's stick swung over his head and came down with a short crack on Armstrong's head. Then Miller threw his arms around his opponent and prevented him from falling. A trail of blood marked their course to the dressing room. Armstrong had a cut several inches long across the front part of his head, and a doctor's services were required. Spectators in the gallery declared with one voice that the blow was intentional. Referee Fraser said it was an accident. After Dr. Bingham had stitched Armstrong's head the latter was taken home, and is doing pretty well to-day. Miller felt very bad indeed over the affair.

There was little in the game to describe. The Woodstocks had the speed and the combination. The Vics. had neither, and therefore the visitors piled up goals at will. The teams and score were:

Hamilton.	Woodstock.
Goal.	
Sutherland	Maltman
Point.	
Henderson	Wilkinson
Cover Point.	
Temple	Brown
Forwards.	
Armstrong	McLellan
Yorick	Pascoe
Coombs	Simpson
Leith	Miller

Referee—A. C. Fraser, Paris.

Goal Judges—E. Dougall, Woodstock, and A. Y. Pringle, Hamilton.

Timers—F. A. Passmore, Hamilton, and G. W. Price, Woodstock.

In the first half Woodstock made 15 goals, five were made by Miller, three by McLellan, five by Simpson and two by Pascoe. Just as the timer's whistle blew, Hamilton scored, but the goal was not allowed. Hamilton got the first goal in second half, Temple shooting it. Then Woodstock got twelve in succession, Simpson making four, McLellan four, Pascoe two and Brown two. The final score was 27 to 1.

THE JUNIOR GAME.

Before the above game the Grimsby and Victoria second sevens played a game in the Niagara District series. There was too much roughness on Grimsby's part, one of the Gibson boys playing a particularly hard game. The Grimsby players were big enough and husky enough for any senior league. All the scoring was done in first half, Grimsby making three goals and Victorias one. The teams:

Hamilton.	Grimsby.
Goal.	
Morden	Smith
Point.	
Rochesburg	Grant
Cover Point.	
Truesdale	W. D. Gibson
Forwards.	
Morrison	Hughes
Montague	J. H. Gibson
Kittson	Teeter
Meakins	Hewitt

Referee—A. C. Fraser, Paris.

NOTES OF THE GAME.

The Woodstocks play nice combination.

James Davis, ex-manager of the Woodstock Baseball Club, came down with the team.

The Woodstocks brought with them a rooter who should be dropped under the ice when they get him home. When his talk became too dirty the others said to him, "Cut that out, Dave." Dave should be "cut out."

Goal gates, without the net attachment, were used, and gave good satisfaction. The nets would just complete the good thing.

PARIS DEFEATED BRANTFORD.

Paris, Ont., Jan. 6.—The opening game in C. O. H. A. series last night, Paris vs. Brantford, resulted 10 to 2 in favor of the home team. At the half the score stood 4 to 1. The game was fast throughout. There were 1,500 witnesses, the game being the opening of the immense new rink. Stanley Ross, of Woodstock, refereed. Goal nets were used for the first time in this league with satisfaction. The Brantford team this year is far stronger than formerly.

Yale closed its series of hockey games with Western Pennsylvania clubs at Pittsburg on Saturday night by winning from Pittsburg Athletic Club by the score of 5 to 4.

Goal nets were used in the Shamrock-Montreal game, and showed that good umpires were an absolute necessity with the apparatus. One shot sent in struck the top of the net and bounced right out again, and on another occasion the puck was fully three inches through, but no goal was awarded, owing to the fact that the umpire's view was obstructed.

A free fight occurred in the second half of the London-Stratford game at the latter place. Easson and Gilmour had it hot and heavy, and the police were compelled to interfere.

The game played at Toronto last night between the Parkdales and Nationals was protested, by the former, claiming professionalism against Nationals, and that some of the players did not adhere to the residence rule.

To-morrow night the first game of hockey in the Bank League series will be played, and it begins to look as if lovers of the game would have to look to this league. Goal nets were used and gave great satisfaction.

"DON" A GOOD ONE.

Brantford Expositor: Mr. D. M. Cameron, of Hamilton, who refereed last (Friday) night's hockey match between Brantford and Paris, is a sporting enthusiast. He was captain of the Hamilton Tigers three years ago, and is an oarsman of no small repute. His work last night is the best evidence that he knows his business at hockey. He was very much pleased at the treatment he received at the hands of the members of both teams, and said that the duties were not nearly as thankless as in some games over which he has presided.

WOODSTOCK IS STRONG.

Paris, Jan. 20.—Probably the fastest game of hockey ever played here was that between Woodstock and Paris here to-night, it being their first meeting this season. The game was in the Central Ontario Hockey Association series and was entirely devoid of rough play, the best of feeling existing between the players. At half time the score stood 3 to 2 in favor of Paris, but during the last half the visitors were too much for the black and green and won the game by a final score of 5 to 4. The players were:

Paris—Gray, goal; Munn, point; Rousell, cover point; Adams, Taylor, Gillard, Brown, forwards.

INSINUATES CORRUPTION.

The Collingwood Hockey Club has sent notice of its withdrawal from the Ontario Hockey Association to John Ross Robertson, President thereof. The club makes some pretty broad insinuations against the Association Executive, the first paragraph of its letter reading thus:

The rules of the association are so loosely and inaccurately drawn as to place a powerful weapon in the hands of a corrupt executive, thereby enabling it to unduly press them against an obnoxious club and to unduly relax them in favor of a favored club.

The Capitals of Ottawa are practically winners of the eastern schedule of the O. H. A. series. They won from Cornwall last night in easy fashion by 11 to 2.

Preston and Waterloo played a tie game last night.

At a meeting of the Executive of the O. H. A. last night, the resignation of the Collingwood Hockey Club was received, but it was not accepted. On the contrary, it was decided that the club should be expelled on account of the abusive and untruthful communication by which the resignation was accompanied. One effect of this will be to preclude the playing of exhibition matches by Collingwood with clubs in good standing in the Ontario Association.

Fred Newdick, a Stouffville player, was struck on the head during a game on Wednesday night, and was subsequently found lying unconscious outside the rink. He was attended to by a physician and is expected to recover.

Without having had a chance to practice since their defeat by Grimsby here three weeks ago, the Victorias, of the Niagara Hockey League, sent a team to Beamsville last night. The result was as was to have been expected, the Beamsville boys, who have been more fortunate in the matter of ice, and who make better use of their opportunities to practice, had things all their own way, and piled up a big score while the Victorias made only three goals. The team that represemted Hamilton was made up as follows: Morden, goal; Truesdale, point; McCurdy, cover point; Yorick, Armstrong, Kittson, Meakins, forwards.

WOODSTOCK PROTESTS AGAIN.

Woodstock, Jan. 27.—The Woodstock hockey team met Paris last night in one of the fastest games ever played on the local ice. The locals hoped to duplicate their victory over Paris, and promised to do so until the second half. At the end of the first the score was 2 to 2. Woodstock led in the first of the second, and five minutes before time Paris got their fourth and winning goal. Score 4 to 3. The play on both sides was characterized by close and hard checking, but was clean throughout. About 900 people witnessed the game, Paris and Ingersoll sending big contingents. Muir, of Brantford, proved a very satisfactory referee.

The game has since been protested.

FALLS BEAT NIAGARA.

Niagara-on-the-Lake, Ont., Jan. 27.—A fast and exciting S. O. H. A. game between the Niagara and Niagara Falls teams, at this place, was played in the Palace Rink last night. The total was 10 to 6 in favor of the Falls.

Hamilton Times – January 27, 1900

Hockey, which has been somewhat of a dead issue in this city for a couple of seasons, is to be revived. A few of the leading spirits in connection with the Victoria Club have plans in hand to reorganize that club, and build up a new team, principally out of the young players. The "have beens" who won't practice will be dropped, but some of the best players from among the seniors, who have always been ready to work or to play, will be the backbone of the new team. There is renewed talk now of a series of games for the city hockey championship cup, now held by the Victorias. The Ontario Normal College team is talking of entering the competition, and the Bankers' League, could put in the third team. Just what will be done, however, remains to be seen.

BANK LEAGUE GAME.

The second game of hockey in the Bank League series was played at the Thistle rink on Saturday night before a fair crowd of spectators, and proved a very interesting contest. The teams were from the Bank of Montreal and the Molson-Commerce combination, and were made up as follows:

Montreal—Goal, Bloomfield; point, Temple; cover, Fraser; forwards, Macdonald, Holmsted, Steele, Worsley.

Molsons-Commerce—Goal, Gomery; point, Hammond; cover, Logan; forwards, Griffith, Killaly, Sayers, Fornan.

Referee—G. S. Nichol, Merchants' Bank.

Goal Judges—Muir and Grant.

The game was won by Montreal by five goals to three. For the winners Temple scored four goals, and Holmsted one. As an exhibition of hockey it was a good game.

INTERMEDIATE FINAL.

Kingston, Feb. 1.—The final intermediate hockey match between Belleville and Frontenac teams was contested here last night. The home team won by 5 to 2. Belleville had four points to their credit, which gave them the round by one point. The match was a rough one. Chaucer Elliott, of Queen's, refereed. At the end of the first half it was 3 to 1 in favor of the Frontenacs.

VIC'S SUCCESSORS WIN.

Simcoe, Feb. 1.—Simcoe took Hamilton's place in the C. O. H. A., and played the first home game last night with Paris. The play throughout was fast and spirited, and the patrons of the game were treated to a good exhibition of hockey. Simcoe scored the first goal in one minute. At half-time the score stood, Simcoe 4, Paris 2. During the second half Simcoe scored three more goals, while the visitors added two more to their credit, making the total, Simcoe 7, Paris 4. The play during the last half was fast and furious.

AFTER THE PUCK.

In the Central Hockey Association game last night Woodstock beat Brantford by a score of 6 to 4.

Brantford is proposing to organize two ladies' hockey teams to play a match for the benefit of the poor of the city.

Belleville hockeyists have protested "Chic" McRae, on the ground that at one time he was a member of a professional lacrosse team in that place.

A HOCKEY INCIDENT.

"What's the matter with Willie?" said the young lady in the box-back coat to her dearest girl friend.

The young lady in the box-back coat was Willie's sister who had come to see Willie distinguish himself in the hockey match, Bank vs. College. Her dearest girl friend was also supposed to have a sneaking regard for Willie's sister's only brother.

Willie was on the forward line for the College, and up to date he hadn't been distinguishing himself in the right direction. His check from the bank, Bunty Trawler, was playing all around him, and Willie wasn't having a "look in," as the saying is.

Willie's sister was dismayed.

"That Trawler's a perfect beast," said she.

The young lady beside Willie's sister took Bunty's part.

"He's playing a beautiful game, whatever he is," said she.

Willie's sister was indignant.

"You know perfectly well that Willie's a better player," said she. "If that Trawler wasn't doing something mean you'd see that Willie would be cutting rings around him."

"Mr. Trawler is a friend of mine," said the other young lady with dignity.

"I don't care if he is; Willie is a brother of mine."

But the fact of the matter was that Willie wasn't feeling well. He couldn't hold the pace. To use a sporting phrase, "his stomach had gone back on him." Some indiscretion of diet had upset him. So at half time they gave him a Dodd's Dyspepsia Tablet.

"What do you think of that Trawler now?" asked Willie's sister.

Willie had just secured the puck, dodged Mr. Bunty Trawler and after a grand stand rush down the ice passed to centre, who scored. The Dodd's Dyspepsia Tablet had made all the difference in the world.

"I think he is just lovely," said the young lady, absently. But her eyes were shining. It was not of Mr. Trawler she was thinking.

BANK HOCKEY GAMES.

Those who take in the hockey games at the Thistle Rink to-morrow evening will witness a double header in the Bank Hockey League. This had to be done in order that the games scheduled might be lived up to, there being a postponed game. The Bank of Hamilton go against the Bank of Montreal, while the Traders'-Merchant-Imperial is pitted against the Molson's-Commerce combination. The two former teams stand at the head of the League, having won a game each, and as all the teams have put in a week of keen and faithful practise, two lively games may be expected.

The teams will be: first game:

Bank of Montreal — Forwards, Holmstead, Wolseley, McDonald; Fraser; cover point, Steele; point, Temple; goal, Bloomfield.

Bank of Hamilton—Forwards—McKay, DuMoulin, Burrow, S. McDonald; cover point, Kerr; point, C. McDonald; goal, Weatherston.

Second game:

Traders'-Merchants'-Imperial —Forwards, Young, Muir, Watson, Laird; cover point, Judd; point, Nichol; goal, Soules.

Molsons'-Commerce-British — Forwards, Fornari, Killaly, Billings, Sayers; cover point, Logan; point, Hammond; goal, Gomery.

AFTER THE PUCK.

In the W. O. H. A. series Georgetown won at Ayr last night by a score of 4 to 3.

Stratford and Woodstock played at Stratford last night in the Junior O. H. A. series, Stratford winning by 8 goals to 1. Stratford thus wins the round by 3 goals.

All the clubs in Group 1 of the senior series, O. H. A., are tied, and Cornwall and Iroquois will play off at Morrisburg, the Capitals then meeting the winners on the winners' ice.

Hamilton Times – February 2, 1900

Hamilton hockey players won their first game of the season last night, and undoubtedly had the best team that has represented the club for two seasons. It was strengthened by three Normal College players, who are now members of the club, Donnolly, Simpson, and Dunkley, and they certainly know the game and play it well. Their combination with the old Vic. players proved too strong for the husky Grimsby lot, who are a very strong team. The Victorias won by 8 goals to 4. The team was:

Goal—Morden.
Point—Truesdale.
Cover-point—Donnolly.
Forwards—Simpson, Dunkley, Yorick, Armstrong.

The Victoria club is now in good shape, and may be expected to "cut ice" in the future.

OTHER GAMES AND NOTES.

At Toronto, O. H. A. senior game—Waterloo 7, 'Varsity 5.

At Peterboro', O. H. A. intermediate—Peterboro' 3, Kingston Cadets 5. Peterboro' won the round on the surplus of goals from the first game.

At Woodstock, C. O. H. A. series—Woodstock 13, Brantford 2.

At Paris, C. O. H. A. series—Paris 6, Simcoe 5.

At London, O. H. A. intermediate series—London 11, Galt 6.

The Ontario Hockey Association has ordered the Cornwall and Iroquois hockey teams to play off their tie in the first round on Morrisburg ice next week.

The team which the Winnipeg Victorias will take to Montreal played two fifteen-minute halves against the Winnipeg seniors last evening, and in the fastest game of the season beat them by 5 goals to 1. Dan Bain, captain of the Victorias, viewed the game from the fence, his place being taken by substitute Macdonald. Victoria stock has gone up.

Hamilton Times – February 3, 1900

A few weeks' work on the ice has made a big difference in the playing ability of the teams of the bank hockey league. On Saturday all four teams were seen, a double header being played. The largest crowd of the season was present and saw the best hockey. The first game was between the Banks of Hamilton and Montreal. The friends of the two septettes looked for a close match, and when the Montrealers shot the first goal, the hopes of their supporters ran high. But first blood proved only a scratch, and the Hamiltons went into the contest with a dash and soon were piling up a big score. At half-time they had made ten goals, while the Montreal boys had not added to their single count. In the second half the Bank of Hamilton only did half as well, and at the finish the score was: Hamilton 15, Montreal 2. The teams and officials were:

Hamilton.	Montreal.
Goal.	
Weatherston	Bloomfield
Point.	
C. McDonald	Temple
Cover Point.	
Kerr	Steele
Forwards.	
McKay	Holmstead
Du Moulin	Wolseley
Burton	McDonald
S. McDonald	Fraser

Referee—D. M. Cameron.
Timer—I. Hobson.
Goal judges—R. Acres, F. R. Niblett.

The second game was between the two hyphenized teams, Traders-Merchants-Imperial vs. Molsons-Commerce-British. These put up a great struggle. After 10 minutes' play Molsons made a long shot at a hard angle, and scored. Ten minutes' later a Trader player sent a fast one through, and the score was one all. So it remained until the end of first half. In second half the Molson's combination shot three goals in rapid succession. The first of the three seemed high to everybody behind the goal, but the goal judge allowed it, and was certainly in the best position to judge. It was made on a long lift. Traders then braced up and, by good combination, evened the score, it being four all when time expired. Five minutes' extra play each way resulted in one goal each, and it was agreed to play on until one side scored and thus won. After almost ten minutes of hard play, during which only the fine goal-keeping of Gomery saved the game, as Traders were playing fast and hard, the puck was taken to the other end, and sent through, winning for Molsons-Commerce-British, by 6 to 5. The teams were:

T., M. and I.	M., C. and B.
Goal.	
Soules	Gomery
Point.	
Nichol	Hammond
Cover Point.	
Judd	Logan
Forwards.	
Young	Fornari
Muir	Killaly
Watson	Billings
Land	Sayers

Referee—D. M. Cameron.
Timer—I. Hobson.
Goal Judge—T. Powers and Wm. Rankin.

OTHER HOCKEY GAMES.

Beamsville juniors defeated Bishop Ridley Team Saturday by 10 to 7.

The championship hockey match between Quebec and the Shamrocks proved an easy victory for the champions.

The Iroquois Hockey Club, of Buffalo, went to Welland on Saturday night, accompanied by a number of supporters to play a match with the Welland Club, the score at the finish being: Welland 16, Buffalo 6. The visitors were unable to withstand the combination play of the home team.

THREE GAMES THROWN OUT.

On Saturday evening the Executive of the Niagara District Hockey Association met at the Waldorf Hotel, and considered a charge of professionalism made against Louis Renand, of the Beamsville team. The facts brought out were that Renand was brought here from Quebec to work for the Beamsville Rink Company, but that the Beamsville club is not connected with the rink company, and was not a party to bringing him. Being employed on the rink he was found to be a professional, but as he was not brought by the club, the Beamsville organization was not expelled from the League. All three games in which he played were thrown out and ordered to be played over again. This leaves the standing as follows:

	Won.	Lost.
Grimsby.....	2	1
Hamilton Victorias	1	1
Beamsville	0	0
Dundas	0	1

To-morrow night the Dundas Club will play here.

Hamilton Times – February 5, 1900

Beamsville, Feb. 6.—Monday night the ice rink was crowded to the doors to see the Grimsby team go under. Grimsby brought about fifty rooters with them, but little was to be seen of them during the game. Beamsville started the ball rolling by scoring the first goal, and then put four more through. By a fluke in the second half Grimsby scored, but after that Beamsville's goal tender acted simply as a spectator, five more goals being scored by the Beamsville boys, making the game 10-1. The juniors will play the next match with Grimsby. The teams lined up as follows:

Grimsby—Goal, W. Smith; point, F. Snyder; cover point, J. Hewitt; forwards, W. Gibson, P. Teeter, M. Coon, H. Hagas.

Beamsville—Goal, Fairbrother; point, H. Robinson; cover points, Poole, P. Robinson; forwards, G. Robinson, Beatty, Boughner.

Referee—D. M. Cameron, Hamilton.

AFTER THE PUCK.

Peterborough calls Waterloo to beat the Wellingtons, and London to capture the intermediate championship.

Varsity has defaulted to Stratford, and the latter club will now meet Waterloo at Guelph to-morrow night.

Last night at Orillia the Midland and Toronto St. George's teams met to battle for the Ontario Hockey Association intermediate championship. The game was fierce from start to finish, and the Toronto team won by 11 to 0, because they had a goalkeeper that nothing could pass, while, on the other hand, their opponents were without their star goalkeeper, Billy Henley.

Hockey To-night.

At Victoria rink to-night there will be two games of hockey. At 7 o'clock the Victoria Second Juniors will meet the Thistles and at 8 the Dundas and Victoria teams will play a Niagara District League match. The Vics.' team for this game will be Goal, Morden; point, Truesdale; cover-point, Donnolly; forwards, Dunkley, Simpson, Yorick, Armstrong.

Simcoe, Feb. 8.—The second game in the C. O. H. A. series on the home ice was played here last night, Woodstock being the victors. At half time the score stood, Simcoe 1, Woodstock 3. The second half, Woodstock 8, Simcoe 4. Referee, Fraser, of Paris. Considerable dissatisfaction was manifested on both sides regarding decisions.

GAMES AND NOTES.

At Guelph, senior O. H. A. series, Stratford 5, Waterloo 2.

THE WINNIPEG TEAM.

Winnipeg, Man., Feb. 8.—The Victoria hockey team left to-day for Montreal, where they meet the Shamrocks next week for the Stanley cup championship. The team is in good form, and will be the same as last year, with the exception of Flett and Roxborough, both crack players, who replace Armytage and Howard. The team will be: Merritt, goal; Flett, cover-point; Johnstone, point; Campbell, Bain, Roxborough and Gingras, forwards, with R. Fortunes, S. MacDonald and M. Flett as spare men.

DID WELLAND PLAY RINGERS?

Niagara Falls, Ont., Feb. 9.—The executive of the S. O. H. A. held a meeting here last evening to hear the charges preferred against the Welland club for playing ringers. The committee decided, on account of not being sufficient notice given Welland, the match this evening at Welland between Niagara Falls and Welland be postponed, and the Welland club be given an opportunity to clear its skirts of the charges next Tuesday at St. Catharines, when the executive meets. Despard, now of Buffalo, late of Toronto; "Hookey" Dixon and Snell, two well-known western Ontario ringers, are named in the charges.

BROKEN NOSE FOR DESPARD.

Buffalo, Feb. 9.—Despard, the brilliant young player of the Iroquois hockey team, late of Toronto and who is alleged to have been a ringer at Welland, sustained a fracture of the nose last night while practising prior to the beginning of the game between the Iroquois and Wellands on the Broadway rink. Despard was struck on the nose with the puck.

BEAMSVILLE VS. VICTORIA.

To-morrow night the Beamsville club, the strongest hockey organization in the Niagara District League, will be here for a championship match with the Victorias. It will take place on Victoria ice, beginning at 8 o'clock.

Hamilton Times – February 9, 1900

There will be hockey on both of the city rinks to-night. At the Victoria rink a Niagara District championship match will be played between the strong Beamsville team and the reorganized Victorias. The Hamilton club is now in the best form it has been in for two seasons, and should give a good account of itself. The team will be the same as won its last two games. The Beamsville club has not yet been beaten, and a fast, brilliant match should be seen. The Victoria team will be:

Goal—Morden.
Point—Truesdale.
Coverpoint—Donnolly (Captain).
Forwards—Dunkley, Simpson, Yorlek, Armstrong.

Before this match the Dundas juniors will meet the Victoria juniors at the same rink, the game starting at 7 o'clock.

At the Thistle rink the Bank League game between the Hamilton and Molsons-Commerce-British teams will be played, commencing at 8 o'clock.

SAINTS BEAT NIAGARAS.

St. Catharines, Feb. 10.—Niagara-on-the-Lake crossed sticks here last night with St. Catharines in the S. O. H. A. games. The visitors up to half time failed to score, the home team having 5. In the second half Niagara worked harder, and the large crowd was treated to some fast hockey. The final score stood 10 to 6 in favor of St. Catharines.

WOODSTOCK WON, 15 TO 1.

Woodstock, Feb. 10.—Last night's C. O. H. A. game was expected to be one of the best of the season. As Simcoe had beaten Paris, it was supposed to be the home team's strongest opponent, but the game was slow, and at half time the score was 3 to 0 in favor of the locals. Shortly after half time Winter, the Simcoe goalkeeper, was struck with the puck, which laid him off, and the locals discarded a forward and played six a side. The visitors have a fast forward line, but were checked too closely to make a showing, the final score resulting 15 to 1 in favor of Woodstock.

GRIMSBY BEAT DUNDAS.

Grimsby, Feb. 10.—A Niagara District Hockey Association game was played here last night between Dundas and Grimsby, score 9 to 3. Both teams played fast hockey, although it was very rough at times. Smith, in goal for Grimsby, did excellent work.

RUCTION IN THE S. O. H. A.

Welland, Ont., Feb. 10.—A ruction is on in the Southern Ontario Hockey League. Niagara Falls protested Welland, and at a meeting held, of which proper notice was not given, and at which Welland was not represented, the executive declared the game scheduled for here last night between Niagara Falls and Welland postponed, but the Welland team notified Niagara Falls if it did not come Welland would claim the game by default. As the visitors did not come, Welland claims the game.

LONDON WINS AGAIN.

London, Feb. 10.—London put St. George hockey team, of Toronto, out of the race for the intermediate O. H. A. championship cup by defeating it last night in the fastest game of the season by a score of 5 to 4.

Hamilton Times – February 10, 1900

A good crowd of hockey enthusiasts attended Victoria Rink on Saturday night with the expectation of seeing a good championship game between the Beamsvilles and Victorias, but they were disappointed in not seeing the game owing to the unsportsmanlike persistency of the visiting team. The referee had just blown his whistle for the face off when the local seven came off the ice refusing to play the game. Beamsville team persisted in playing Renaud, whom, it is contended, is a professional, and was classed as such at a recent meeting of the N. D. H. A. According to the rules a player who plays with a professional becomes a professional himself, and the home team had no alternative but to refuse to play the game under such conditions. The spectators got their admission fees back.

The N. D. H. A. executive will meet at the Waldorf Hotel to-morrow night to decide Saturday night's affair. The outcome can be only the awarding of the game to Hamilton, as Renaud has already been declared a professional. Beamsville's action in persisting in playing the man should receive severe condemnation.

HAMILTON WINS BANK TROPHY.

By an easy victory over the Molson's-Commerce-British team the Bank of Hamilton representatives secured the championship of the Bank Hockey League and won the handsome cup that goes with it. Saturday night's game was won in rather easy fashion, the final score being 12 to 3. In the first half the Hamilton team made 7 and the triple alliance 1, while in the second 5 and 2 were the respective goals. The teams and officials were:

Hamilton.	Molsons-Com.-Brit.
Goal.	
Weatherston	Gomery

C. McDonald	Hammond
Cover-point.	
Kerr	Logan
Forwards.	
McKay	Fornari

S. McDonald	Sayers

Referee—D. M. Cameron.

Goal judges—T. Powers and J. Jamieson.

The standing of the clubs is:

	Won.	Lost.
Hamilton	3	0

On Saturday night the Ottawas defeated the Victorias of Montreal by 11 to 1.

Wyndham, Captain.

WINNIPEG WINS FIRST MATCH.

Montreal, Feb. 13.—The Victoria hockey team, of Winnipeg, defeated the Shamrocks, of Montreal, in the first match for the Stanley Cup last night. The Arena was packed to the doors, fully 8,000 people being present. Both teams were in excellent condition, and a splendid match was the result. The watery condition of the ice interfered somewhat with the play, but despite this fact there was some capital playing. The match throughout was characterized by hard checking, but could not be called rough, and the best of feeling prevailed throughout.

The Shamrocks showed some splendid combination work in the first half, and were better stick handlers. The Winnipeg men showed more speed in the first half, and depended greatly on individual play. The first half, on the whole, was decidedly in favor of Shamrock, and when half-time was called the score stood 2 to 1 in Shamrock's favor.

In the second half Winnipeg turned the tables on the local men. Two minutes after the face Bain tied the score for Winnipeg, and from th◀ to the end of the match the playing was remarkably fast.

Gingras' playing was the star feature of the match. Shortly after the fourth game was started Gingras made a brilliant rush, and, passing all the Shamrocks, rushed the puck on the Shamrocks' poles, and, after a series of shots, pushed the puck through with his feet, making the score 3 to 2 in favor of Winnipeg. From this point Winnipeg had pretty much its own way. Bain scored another game, making the score 4 to 2 for Winnipeg. The Winnipegers then played on the defensive, but Trihey succeeded in scoring another game for Shamrocks, making the score 4 to 3 in favor of Winnipeg.

WELLINGTONS WON.

Toronto, Feb. 13.—The first game in the semi-finals between the winners respectively of districts 3 and 4 of the Ontario Hockey Association senior series attracted the largest crowd seen this season at any contest to the Caledonia rink last evening. It was between the Wellingtons of Toronto and the Stratford seven. Wellingtons won by 8 to 0.

POSTPONED TILL THURSDAY.

There was to have been a meeting of the executive of the Niagara District Hockey League at the Waldorf Hotel last night to deal with the case of the Beamsville club in insisting upon playing a professional in last Saturday's game here, thus causing the calling off of the game, as the Victorias properly declined to play against the man. President Gibson, of Grimsby, sent up word that he could not attend, and the meeting was put off until Thursday evening. It will be held at Stoney Creek.

AT DUNDAS TO-NIGHT.

To-night the Victorias go to Dundas to meet the team of that town in a Niagara district scheduled game. The Hamilton team will be the same as has been winning its games of late.

WELLAND WON OUT.

Welland, Feb. 14.—A Southern Ontario Hockey League game was played here last night between Niagara and Welland, being won by the home team by a score of 15 to 9. The game was a fast one, but devoid of rough play.

CORNWALL BEATS THE CAPS.

Cornwall, Feb. 14.—One of the best exhibitions of hockey ever seen in Eastern Ontario was given in the Victoria rink here last night between the Capitals of Ottawa and the Cornwalls.

The game was the final in the three-cornered tie of the Eastern Ontario section of the O. H. A. The home team finally won out by a score of 2 to 1. Cornwall will now have to meet Queen's in the semi-finals in home and home matches.

HOCKEY.

DUNDAS TOO ROUGH.

Under Dr. Caldwell's captaincy the Dundas Hockey Club won its first game of the season in the Niagara District League last night, the opposing team being the Victorias, of this city. The Victoria team was the same as has played in all recent games with the exception that Montague took Yorick's place. The first part of the game was pretty good hockey, and the score was low. Dundas secured three goals in first half, Victoria failing to score. In second half the Hamilton boys played nice combination and secured two goals, making the score 3-2. Dundas then resorted to heavy body checking and made the game so rough that the Vics could do nothing and Dundas rushed seven more goals, the final score being 10 to 2.

YOUNG VICTORIAS WIN.

The unbeaten Young Victorias easily defeated the Grimsby Juniors in a game of hockey played at the Victoria Rink last night. The Grimsby boys played a fast game, but could not overcome the combination of the Victorias. The teams lined up as follows:

Victorias—Gentle, goal; Armstrong, point; Wyndham, cover-point; Yorick, Clappison, Truesdale, Montague, forwards.

Grimsby—Harrison, goal; Norton, point; Alexander, cover-point; Maybe, Blair, Van Dyke, Culp, forwards.

The score was: Victorias, 12; Grimsby, 3.

SHAMROCKS WON THE SECOND.

Montreal, Feb. 15.—The Shamrocks won the second of the series of hockey matches for the Stanley Cup last night with the Victorias, of Winnipeg, by 3 goals to 2. The composition of the teams was the same as on Monday, except that Roxborough played centre for Winnipeg, while Bain had a roving commission. The building was packed. The play was even faster and better than on Monday. The Shamrocks won by superior play all round, excelling in stick work, as before, and improving their combination work, which they maintained throughout. Their defence was particularly well judged. At half-time the score was 2 to 1 in favor of Winnipeg.

When play was resumed, the Shamrocks started on the aggressive, and kept it up until they got one ahead, when they were satisfied to rest on the defensive. About fifteen minutes of playing time remained, but though the Winnipegers made attack after attack they could not pass their opponents' stone-wall defence. The final game will take place Friday evening.

FOLLOWING THE PUCK.

Owen Sound lady hockeyists defeated the Orangeville ladies by 2 to 0 last night.

An accidental crack on the side of the head of Cavanagh, the Peterboro' Colts' crack defence, won last night's game for U. C. C. and kept them in running for the O. H. A. junior championship.

Simcoe and Brantford played a tie, 8 all, in Simcoe last night, and in playing off a Brantford player broke a skate. Then there was a squabble about his inability to continue, and Brantford left the ice, the referee awarding the game to Simcoe.

Milton and Oakville played a fine goal draw at Milton last night.

Hockey for Red Cross Funds.

On Tuesday evening, at the Thistle Rink, the Bank of Hamilton hockey team, champions of the Hamilton Bank League, will play a picked seven, chosen from the other clubs in the league. As the proceeds of this game will be turned over to the Red Cross Society, it is hoped that there will be a good turnout. The game is sure to be fast and well contested.

BEAMSVILLE PUNISHED.

Last evening the Executive of the Niagara District Hockey League met at Sotney Creek and considered the protest of the Hamilton Victorias against Beamsville for insisting on playing Renaud, who had been professionalized by the league, in the game here on Saturday night last. President Gibson, of Grimsby, and Messrs. Pennington, of Dundas, Morrison, of Hamilton, and Beatty and Jeffery, of Beamsville, were present. The protest was fully considered. The Beamsville representatives claimed that their club had been unfairly dealt with in regard to Renaud, and said that the club insisted on playing him here because the Victorias had played Yorick and Armstrong, who had played in the Central Ontario League. As there was nothing to prevent men from playing in both the C. O.

H. A. and Niagara Leagues, the committee found against Beamsville and awarded the game to Hamilton Victorias.

On account of the expense that the Vics. had been put to, with no return, because Beamsville's action prevented the match being played, the Beamsville Club was ordered to pay $10 to the Victorias.

The Beamsville representatives thereupon tendered the resignation of their club, but it was not accepted, and the club was given until this evening to pay the $10. If it fails it will be expelled from the league.

BANK LEAGUE GAME.

The final game in the Bank Hockey League series will be played at Thistle Rink, to-morrow night. The teams will be:

Traders-Merchants-Imperial — Goal, Boules; point, Nichol; cover, Judd; forwards, Young, Laird, Watson, Muir.

Montreal—Goal, Bloomfield; point, Temple; cover point, Fraser; forwards, McDonald, Steele, Holmstead, Worsley.

NOTES.

Mr. A. D. Braithwaite, of the Bank of Montreal, has donated a handsome silver cup, to be competed for by two clubs of the Hamilton Bankers' Hockey League. It is on exhibition in E. Davidson's window.

Hamilton Times – February 16, 1900

Montreal, Feb. 16.—The third and final match in the series for the Stanley Cup, played last night in the Arena rink, between the Victorias, of Winnipeg, and the Shamrocks, of this city, was the greatest of them all. One minute and a half before time was up the tally stood 4 goals apiece, and the western aggregation were having the best of the argument. Tansey, the Shamrock point, finally relieved a long siege on the Shamrock goal by a fine run down the ice. He was closely checked by Bain, the Winnipeg captain. When the pair reached the Winnipeg end of the ice, Flett, the western point man, came out to give his clubmate a hand. The result was that the Winnipeg captain's right leg got sandwiched between the two men, and he dropped on the ice in an agony of pain. He put up his hand to indicate that he was incapacitated, but before Referee Baird had stopped the play the Shamrocks put the puck into the net. Of course it did not count. Bain was carried off the ice, and it was some time before he was in condition to appear again. When play resumed, the puck was faced immediately in front of the Winnipeg goal, and a fortunate poke by a Shamrock forward put it in the net. The play preceding the sensational climax was from the start of the most aggressive and brilliant variety. The home team were continually on the defence, but when their forwards did break through they could shoot with more accuracy on the goals. The Winnipegs got two shots on the goal posts for every one by the Shamrocks, but, as the home team plays a closer defence game, it was harder to get the puck through. The Shamrocks retain the Stanley Cup, having beaten the Victorias, of Winnipeg, by the narrow score of five games to four.

THE SOUTHERN SCHEDULE.

Niagara Falls, Feb. 17.—The S. O. H. A. Executive met here last evening to settle the rumpus that has existed in the association for the past two weeks. The protest against Welland for playing ringers was satisfactorily satisfied by Welland promising to discontinue playing other than home players. A new schedule was arranged for the last half of the association matches, which, being not satisfactory to the ideas of the St. Catharines Club, they withdrew from the Association. The following is the schedule adopted:

February 20th—Niagara Falls at Welland, St. Catharines at Niagara.

February 23rd—Niagara at Niagara Falls, Welland at St. Catharines.

February 27th—Niagara Falls at Niagara, St. Catharines at Welland.

March 2nd—Welland at Niagara Falls.

March 6th—Niagara Falls at St. Catharines.

Niagara Falls, Welland and Niagara, after St. Catharines withdrew, decided to play out the schedule.

PARIS DEFEATED BRANTFORD.

Paris, Feb. 17.—Brantford and Paris played the ninth game in the C. O. H. A. schedule here last night. The game was totally void of life, except in the last ten minutes. At half-time the score was 5 to 3 in favor of Paris. In the final ten minutes Paris scored eight goals. The score was: Paris, 15; Brantford, 6.

BANK LEAGUE GAME.

To-night at 8 o'clock the teams of the Montreal and Traders-Merchants-Imperial Banks will cross sticks in the final game in the Bank Hockey League series. The Montrealers are the heavy, strong team, and the triple-alliance the light, fast one. A good game is expected.

LONDON IN THE FINAL.

Toronto, Feb. 17.—In the O. H. A. Intermediate semi-final game played last night between London and the St. George's, of Toronto, the London team won by 3 to 1. It was one of the roughest games ever seen. London had the best of the play all through. This victory puts London in the finals with Belleville by a majority of 3 goals on the round, they having won at home by 5 to 4.

The game of hockey to be played by representative teams in aid of the Red Cross Society's funds will be at the Thistle Rink on Tuesday evening next.

2:00 SAW THE GAMES.

Montreal, Feb. 20.—The members of the Victoria Hockey team, of Winnipeg, left for home this evening, and were given a big send off. Everwhere the sportsmanlike and generous attitude of the defeated Winnipeg Victorias elicits favorable comment.

This season's three Stanley cup matches besides constituting the premier Canadian sporting event of the whole year, are remarkable in other respects. Over 28,700 people saw the contests. The Arena authorities have announced that 8,750 people passed through the turnstiles on Monday and 9,500 people paid to see the Shamrocks defeat Winnipeg on Wednesday night. On Friday an approximate estimate places the number of spectators who witnessed the great final game at 10,500. The total receipts are placed at $11,480. Captain Dan Bain, in an interview, states that the Victorias will scarcely return next season. Campbell, Fleet, Merritt, and himself will retire at the season's close. Winnipeg is lucky in having two exceptionally promising intermediate candidates in Levecque, who is now stricken with typhoid fever in Winnipeg; and "Sir" Macdonald McFarlane, of the Winnipegs, may also come over to Victoria.

AFTER THE PUCK.

Woodstock defeated Guelph Nationals by 7 to 4 last night at Woodstock.

Stratford defeated Simcoe by 6 to 0 in the semi-final game of the O. H. A. junior series at Stratford last night.

The Crescents, of Halifax, won the Nova Scotia Hockey championship by defeating the Orioles, of Monton, by 13 to

Grimsby was to have played a game with the Victorias here to-morrow night, but will go to Dundas instead, for a game in the Niagara District.

The Hamilton Bicycle Club and Crescent Cycling Club are trying to arrange for a hockey match to be played on the Victoria ice this week.

Hamilton Times – February 20, 1900

The Red Cross Fund was considerably augmented last night by the Bank League Hockey match at the Thistle Rink, a large and fashionable crowd being present. Each player wore a Red Cross badge on the left arm. The match was fast in spots, but the players didn't seem to stand a rapid pace for any length of time. The passing was better than at any previous game in that league series, the combined bank's team excelling.

The Bank of Hamilton septette made up for this in rushing and lifting. At half time the score was 5-5, and at the finish it was 9 to 6 in favor of the Combined Banks. At the close of the match, Capt. Logan, of the victors, was presented with a handsome bouquet. The teams were the same as published in last night's Times. D. M. Cameron was referee; Irving Hobson, timekeeper; T. Power and Alf. Rodgers, the goal judges.

HALIFAX AFTER STANLEY CUP.

Ottawa, Feb. 21.—Sheriff Sweetland and Mr. P. D. Ross, trustees of the Stanley Cup, have received a challenge for the cup from the Crescent Amateur Athletic Association of Halifax, champions of the Nova Scotia League. The Crescents name March 5, 7 and 9 as the dates they would like to get.

SHAMROCKS WILL PLAY.

Montreal, Feb. 21.—The news of a challenge for the Stanley Cup from the Crescent Club, of Halifax, has been received with some surprise by the Shamrocks. The present holders of the cup have had a hard season, and they have not yet fulfilled their engagements, having to play four matches in the senior series, one with each of the other four clubs. Of these one is scheduled for March 3, and the other for March 8. The Crescents wish to play on March 5, 7 and 9, and this will be very inconvenient for the Shamrocks. However, the Shamrocks are perfectly willing to accommodate the Eastern people, and doubtless some satisfactory arrangement will be arrived at.

O. H. A. FINALS.

The finals in the senior, intermediate and junior series of the O. H. A. will be played within a week.

For the senior honors, Queen's, of Kingston, and Wellingtons, of Toronto, will battle in home-and-home games. The intermediate teams to line up will be the Bellevilles and Londons, while Stratford III. and Peterborough III. will contest the junior championship.

GAMES AND NOTES.

At Welland last night Niagara Falls defeated Welland by 17 to 10 in a S. O. H. A. game.

Queen's University team defeated Cornwall by 8 to 3, in the O. H. A. senior semi-final game last night.

In the O. H. A. junior semi-final match, Peterboro' last night defeated U. C. C. by 6 to 4.

The Winnipeg Victoria Hockey team will play a picked Toronto team at the Mutual Street Rink to-night, that will be composed principally of Wellingtons.

Hamilton Times – February 21, 1900

Two teams of the Niagara District Hockey Association, representing Grimsby and Dundas, met at Dundas last night and played a hard, rough and fast game. Dundas won the game by a score of eight goals to one. The first half was keenly contested, the score being 2 to 1 after the first thirty minutes' play. In the second half the home team clearly outpointed the visitors and secured half a dozen goals more. Caldwell, the star Dundas player, forgot himself and stopped the puck with his hand, and was ruled off for a couple of minutes. During the second half Hughes, of Grimsby, met a very heavy check and was put out of the game; W. Markle was laid off to even up matters.

With just one minute left at the end of the second half Higginson dumped Hewitt over the side, and the Grimsby man foolishly lost his temper and hit Higginson with his stick. This caused the two men to clinch, but they were quickly seperated, and the visitors decided to discontinue playing. The teams and officials were as follows:

Dundas.	Grimsby.
Goal.	
Wilson	Brown-Smith
Point.	
Knowles	Snyder
Cover Point.	
Caldwell	Gibson
Forwards.	
W. Markle	Hughes
G. Markle	Coon

Timekeepers—C. Cowper and H. J. Blair.

Goal Judges—W. Cartmer and W. Farrell.

Referee—E. J. Leith, Hamilton Victorias.

AN EXHIBITION "FROST."

As in most other sports, exhibition games of hockey seldom amount to much. Last night the Victorias, of Winnipeg, who put up such great games at Montreal for the Stanley Cup, were billed to play the Wellingtons, Toronto city champions, at Toronto, and a big crowd turned out. The Victorias had only five of their regular men on and the Wellingtons would not go on at all, owing to a dispute about the gate receipts. A picked team of Toronto played the Winnipegs, and a poor game resulted, in which the result was in doubt. The Globe says the score was a draw, 4 all, while the Mail and Empire says the Torontos won by 4 to 3, and the World says it was a draw, 3 all. The Globe also says: One lamp-globe, two or three window-panes, and the reputation of the Winnipeg Victorias were shattered last night.

GAMES AND NOTES.

The Winnipeg Vics. play at St. Catharines to-night.

Londoners will run a special to Toronto to-morrow for the final O. H. A. game between London and Belleville.

Hugh Baird, who refereed the Stanley Cup games, was presented with a signet ring by the players of both teams.

At Brantford a hockey match in the Central Hockey Association came off last night between Woodstock and Brantford teams, resulting in favor of Brantford by 6 to 5.

UNBEATEN YOUNG VICS.

The Young Victorias took a trip to Grimsby last night and easily defeated the Grimsby Juniors by a score of 13 to 2, in a game of fast but rough hockey. The Grimsby boys played a hard game, but could not overcome the fast combination of the Young Victorias. The teams lined up as follows:

Young Victorias. Grimsby.

BANK HOCKEY GAMES.

Hockey teams from the Bank of Montreal and the Traders' Bank will play a match at the Thistle Rink on Saturday evening. LATE SPORTING NOTES.

TO PLAY OFF THE TIE.

To decide which club of the three now tied for second place in the Bank Hockey League series shall get the place, two more games will be played. On Saturday night the Traders-Merchants-Imperial combination will meet the Bank of Montreal, and the Molsons-Commerce-British will play the winner the following week.

The teams for to-morrow night's game will be:

Montreal—Goal, Bloomfield; point, Steele; coverpoint, Holmstead; forwards, McDonald, Temple, Fraser, Worsley.

Traders-Merchants-Imperial—Goal, Soules; point, Nichol; coverpoint, Muir; forwards, Young, Laird, Watson, Judd.

WILL PLAY CANADA LIFE.

The Bank of Hamilton team to play the Canada Life team, Toronto, will be; Weatherston, goal; C. McDonald, point; Kerr, coverpoint; DuMoulin, Burton, McKay, F. McDonald, forwards.

FOR CITY CHAMPIONSHIP.

There will be home and home games for the city championship cup at an early date between the Victorias and the banks. Yesterday the Bank League Executive met and selected the players from amongst whom the seven to play for the cup will be chosen. Weatherston will play goal, Temple or Nichol point, Logan coverpoint, and the forwards will be chosen from among DuMoulin, McKay, McDonald, Fraser, Killaly and Watson. Logan was elected captain.

THE WRONG LOT WON IT.

Among the Bank Hockey League boys a good joke is going around at the expense of the Bank of Hamilton players and their lady admirers. When the combined banks beat the Bank of Hamilton in the last match a bouquet was thrown to the winners, and was handed to the captain of that team. Logan, of the Bank of Commerce. To it was attached a card bearing the inscription, "Bank of Hamilton staff, compliments of their lady admirers." To the victors belong the spoils.

Hamilton Times – February 23, 1900

Owing to the thaw there will be no hockey in the bank league series at Thistle Rink to-night, the ice being covered with water. The players, however, hope to get plenty of good weather yet, so as to enable them to play off the tie for second place, and decide the city championship series.

PARIS DEFEATS SIMCOE.

Paris, Feb. 24.—Simcoe was defeated by the home team here last night in the series of the Central O. H. A. The game was looked forward to with a good deal of interest, as Simcoe had defeated Woodstock, and a defeat would have placed Paris out of reach of the championship. This game was not a fast one, and Paris had pretty much her own way. At half time the score stood 5 to 1 in favor of the home team. There was no rough play. At the finish the score was: Paris 10, Simcoe 3.

BRANTFORD IS OUT.

Woodstock, Feb. 24.—A Central O. H. A. game was played here last night between Brantford and the home team. The first half was all at home. The locals piled in 4 goals and the visitors 0. The ice was rather soft, but the second half was more speedy, and rough play was witnessed at times. The visitors made 3 goals and the home team 3, making a total of 7 to 3 in favor of Woodstock. This puts Brantford out of business. Fraser, of Paris, refereed the game.

FALLS BEAT NIAGARA.

Niagara Falls, Feb. 24.—The senior series S. O. H. A. championship match between the Niagara and Niagara Falls' teams last evening resulted in favor of the home team with a score of 16 to 6. The visitors put up their best hockey in the first half, at the end of which the score stood 5 to 3 in favor of the Falls team. During the last half the Falls boys outplayed the visitors at every point, scoring 11 goals to the visitors' 3.

AFTER THE PUCK.

Orangeville ladies defeated Owen Sound ladies by 1 to 0 in a hockey game last night.

Stratford and Peterboro' will play the first game of the O. H. A. junior finals in Peterboro' Monday night and the return game in Stratford next Thursday.

Hamilton Times – February 24, 1900

On Saturday night the Victoria Hockey Club sent a team composed largely of second seven players to Grimsby for a match in the Niagara District series. The game was not a good one by any means, being mostly shinny. The Grimsby boys had the best of it all the way through and won by a score of 11 to 5. The Vics.' team was:

Goal, Morden; point, McPhee; cover point, Truesdale; forwards, Coombes, Yorick, Dunkley, Simpson.

To-night at the Victoria Rink the Dundas and Victoria teams will play a championship match.

AFTER THE PUCK.

Quebec defeated Ottawa by 3 to 0 on Saturday night.

Montreal defeated Victoria in the senior championship series on Saturday evening by 3 to 1.

The Crescents of Quebec won the semi-finals in the intermediate championship on Saturday afternoon at the Arena, defeating the Aberdeens of Ottawa by the narrow margin of 3 goals to 2.

The dates for the matches for the Stanley Cup between the Shamrocks and the Crescents, of Halifax, have been fixed for March 5th and 7th. No third game will be played, and it is understood the winner will be the club taking the most goals in the two games.

Hamilton Times – February 26, 1900

A fair crowd saw a fast and furious game of hockey at Victoria rink last evening, when the Vics. succeeded in defeating the husky Dundas seven in the Niagara district series by a score of 8-7.

The visitors delayed the commencement of the game for over an hour, waiting for one of their players, who failed to turn up, and the locals had to lay off Simpson from the forward line to even up the sides, and play six men.

Yorick, Coombes and Dunkley made a combination which the visitors found hard to break, though they brought to bear all the slashing and rough checking that could be introduced into a game of shinny. The referee did not seem to see half the rough playing that was going on around him, but after the crowd had hissed persistently he sent off Caldwell twice and Markle once for roughness. Truesdale and Yorick were sent off for interference. The Vics. had a heavy defence to break through, but with their fearlessness and neat combination work they succeeded in playing all around the visitors. Morden in goal for the locals stopped many a likely shot. It was after 9 o'clock when the teams lined up as follows:

Dundas.	Hamilton.
Goal.	
Wilson	Morden
Point.	
Knowles	Truesdale
Cover-point.	
Caldwell	Donnolly
Forwards.	
D. Markle	Dunkley
W. Markle	Yorick
Sourbier	Coombes

Referee—A. F. Howitt, Grimsby.
Time-keeper—Geo. Robertson.
Goal judges—Geo. Mittson, Tom Powers.

The Vics. had decidedly the best of the game during the first half, when the combination work of Coombes and Yorick and a clean lift for a goal from centre by Donnolly made a score of 7-2 in their favor. Dundas made two goals at the commencement of the game, but failed to score again until the close of the second half.

In the second half, rush after rush was made without scoring, until nearly the close of the game, when the visitors picked up and rushed five goals through in very short time, the locals adding two more to their score, but one of which was forgotten by the referee.

The Young Victorias beat the Young Thistles in a well contested match by a score of 7 to 1.

LITTLE PUCKS.

The ice was in splendid condition and made swift playing the characteristic feature of the game.

Caldwell's body checking did not effect the Vic's. combination work.

Dundas' heavy man was a wooden man last night.

The goal nets save many disputes, but what is now needed for the referee is a good memory.

During the game some one announced the relief of Ladysmith and a mad rush was made for outside, but as no whistles were blowing the crowd came back and watched the game.

JUNIOR O. H. A. FINALS.

Peterboro', Feb. 26. — The first game of the final round in the Junior O. H. A. series was played here to-night between Stratford II. and Peterboro' Colts, and as an exhibition of clean, fast hockey was unexcelled by any game ever witnessed in Peterboro'. At half time the score was 3-1 and at full time 6-3 in favor of Peterboro'.

CUP CHALLENGERS WIN.

Halifax, N. S., Feb. 27.—The Crescents defeated the All-New York hockey team last night by a score of 12 goals to 3. The Crescents are the challengers of the Montreal Shamrocks for the Stanley Cup.

YOUNG VICS. AGAIN WIN.

The Young Victorias again defeated the Thistles Juniors in a game of hockey played at the Victoria rink last night, the score being 7 to 1. The teams lined up as follows:

Young Victorias—Gentle, goal; Armstrong, point; Wyndham, coverpoint; Yorick, Clappison, Truesdale, Montague, forwards.

Thistles—Watson, goal; Glassco, point; Payne, coverpoint; Watson, McDonald, McPherson, Glassco, forwards.

LONDON'S TEAM IS ALL RIGHT.

London, Ont., Feb. 28.—Ten to four was the score at the end of the battle between Waterloo's senior team and London's intermediate champions last night. The home team was in splendid form, and outskated and outplayed the visitors all the way. Carmichael, formerly of the Guelph Nationals, was one of the Waterloo forwards, but did not shine especially. His name did not appear in the list given out by Capt. Seagram, but he was on the line.

BERLIN BEAT GEORGETOWN.

Berlin, Feb. 28.—The last game of the W. O. H. A. intermediate series was played here last night between Berlin and Georgetown, and resulted in Berlin's favor by a score of 6 to 3. The game was close and exciting during the first half, but in the second Berlin had easily the best of it.

EASY FOR OLD NIAGARA.

Niagara-on-the-Lake, Feb. 28.— The return match between Niagara Falls and Niagara in the second round of the S. O. H. A. series was played here last night. The game was swift in the first half, and the teams seemed very evenly matched, but Niagara did all the scoring, making six goals, while Niagara Falls made none. The final score was 13 to 4.

FOLLOWING THE PUCK.

Halifax again beat the all-New York team last night, the score being 8 to 1.

The Ontario Hockey Association has presented ex-President A. Creelman, of Listowel, with a Persian lamb cap, collar and gauntlets.

The Shamrocks defeated the Montreal hockey team last night in the hockey championship series by 5 games to 3.

It was decided by the O. H. A. committee last night to settle the senior championship by two games, instead of one, and the first will be played tonight in Toronto. The opposing teams will be the Wellingtons, of Toronto, and Queen's University team, of Kingston. The second game will be played in Kingston on Saturday night, the total goals in both matches to decide the honors.

TWO HOCKEY GAMES.

On Saturday night there will be two games of hockey at the Victoria Rink. The Grimsby team will be here for a league match with the Victorias, and the Hamilton Bicycle Club seven will cross sticks with the Crescents.

ONTARIO HOCKEY CHAMPIONSHIP.

Toronto, March 1.—The first of the two games in the final round for the senior championship of the Ontario Hockey Association was played last night at the Mutual street rink by Queen's College and the Wellingtons, and was won by the Kingston students by a margin of two goals. The score was 2 to 1 at half time, and 3 to 1 at the finish.

The attendance was the largest of the year, there being over 1,200 in the big building, including a goodly number from Kingston. The game was fast only in spots, and especially checkered towards the end of both halves.

There was a lot of betting on the game, the visitors giving odds of 5 to 4 on their team, and the Wellingtons took all the money in sight.

The match was somewhat rough, and two Queen's men were sent to the boards for the offence.

TEAMS FOR TO-MORROW.

The teams to play the first game to decide the tie for second place in the Bank Hockey League series at the Thistle Rink to-morrow night will be:

Montreal—Goal, Bloomfield; point, Steele; cover point, Holmstead; forwards, McDonald, Temple, Fraser, Worsley.

Traders', Merchants' and Imperial—Goal, Soules; point, Nichol; cover point, Muir; forwards, Young, Laird, Watson, Judd.

STRATFORD CHAMPIONSHIP.

Stratford, March 2.—The final match of the Junior O. H. A. championship series was played here last night between Stratford and the Peterboro Co'ts, before a crowd of about 2,000 spectators, and the result at the finish was 9 goals to 3 in favor of the Stratford septette. As might be naturally expected, the crowd went wild with enthusiasm and the victors were carried off the ice by their supporters. In first half the game looked bad for Stratford, the score being 3-2 in favor of Peterboro, but in second half Stratford made 7 and Peterboro didn't get a goal.

INTER-LEAGUE MATCH.

Waterloo, March 3.—The O. H. A. and W. O. H. A. crossed sticks here last night in a patriotic hockey match. The contestants were Galt and Waterloo. The Waterloo band and a large, enthusiastic crowd were present. The receipts were for the National Patriotic Fund. The game was of the individual kind. The home boys gave a fine exhibition of stick-handling and rushes. The score was 12 to 6 in favor of Waterloo.

LONDON WANTS SHAMROCKS.

The London Club is endeavoring to arrange a game with the Shamrocks, of Montreal, who won the senior championship of the Dominion from the Winnipeg Victorias. A good guarantee has been offered them.

THISTLES WON.

AT LOCAL RINKS TO-NIGHT.

Lovers of hockey will have the choice of games on two rinks this evening.

At the Victoria rink the final game of the season to be played here will take place between the Victorias and Grimsby. These teams have played fast and clean hockey, and should put up a good game to-night. The Victoria team will be: Morden, goal; Truesdale, point; Donnolly, coverpoint; Simpson, Dunkley, Armstrong, Yorick, forwards.

At the Thistle rink two teams of the Bank Hockey League, Montreal and Traders-Merchants-Imperial, will cross sticks.

WOODSTOCK DEFEATED PARIS.

Paris, Ont., March 3.—Woodstock defeated Paris in the semi-final game between the leaders in the Central Ontario Hockey Association by a score of 9 to 4. At the half the score was 5 to 3 in the visitors' favor. The game was clean but fast.

SHAMROCKS ARE CHAMPIONS.

Ottawa, March 3.—At a late hour yesterday afternoon the Ottawa Hockey Club executive decided to allow the team to default to the Shamrocks, and there will be no game in Montreal to-night. This gives the championship to Shamrock for another year. According to the rules the Ottawas will forfeit all games won. Besides this they are subject to a fine of $100.

AFTER THE PUCK.

The champion Shamrocks have declined Winnipeg Victorias' invitation to go to Winnipeg for a series of exhibition games.

At Niagara Falls, Ont., last night the last senior series match of the S. O. H. A. of the season was played between the Niagara Falls and Welland teams, and was won by the Falls with a score of 15 to 5.

AT THE THISTLE RINK.

Big Crowd, Good Music and Handsome Decorations.

With undiminished joy over the success of the British arms in South Africa, "Ladysmith" night was celebrated last evening at the Thistle rink. The announcement was sufficient to crowd the place. Many prominent citizens were present, and those who came without skates were sorry for it. The band, augmented by members of the 13th Band, played bright and cheery music, and beautiful flags hung down from the balcony.

To-night a similar crowd is expected at the hockey match, when the last game in the senior finals in the Bankers' League will be contested. Every game in the series has been clean and interesting, and the one this evening will be no exception to the rule.

Hamilton Times – March 3, 1900

A large crowd saw the last championship hockey match of the Niagara district series played off at Victoria rink on Saturday evening, the Vics defeating the Grimsby team by a score of 17-10. A number came up from Grimsby to cheer their team, and were treated to one of the most interesting and best contested matches of the season. The ice was in splendid condition, and tended to make the game a fast one. In the first half the Vics., by the fine combination playing of Yorick and Armstrong, succeeded in scoring 10 goals while the Grimsby team only got 2.

After half time the visitors went on the ice evidently with the intention of overtaking their opponents' score, for they put up a hard and swift game, which kept the Vics. on the defensive for the rest of the game. Morden's keen eye at goal, and the brilliant playing of Truesdale at point, were the main features which saved the score from being reversed. Grimsby succeeded in scoring 8 goals in a

short time and broke as many sticks in their endeavors. Some of the roughest playing of the season took place in the second half. Unfortunately, Truesdale came in violent collision with Gibson towards the end of the game, and had his left shoulder dislocated. Dr. Bingham was called in, and the teams finished the match with six men each. The game was stopped several times owing to accidents. Teeter had his thumb severely cut by a skate, and Simpson got hit in the eye. No one was ruled off for foul playing, strange to say, the referee having a blind eye to that style.

Towards the close of the game the Vics. made several rushes, and succeeded in adding seven goals to their score with little effort, giving them the game, 17-10. The teams and officials were as follows:

Grimsby.		Victorias.
	Goal.	
W. Smith		A. Morden
	Point.	
G. F. Snider		C. C. Truesdale
	Coverpoint.	
W. Gibson		R Donnley

TRADERS-MERCHANTS-IMPERIAL.

The first game in the series to decide the tie for second place in the Bank Hockey League championship race was played at the Thistle Rink on Saturday night between the sevens of the Traders-Merchants-Imperial and the Bank of Montreal. It was a very fair game of hockey, though an easy victory for the combined team. The passing and combination work of Traders-Merchants-Imperial was good. At half the score was 3 to 0, and at full time 5 to 1, Montreal scoring a goal in a rush. The teams and officials were:

Traders-M.-I.		Montreal
	Goal.

WELLINGTONS ARE CHAMPIONS.

Kingston, March 6.—The Wellingtons, of Toronto, are the O. H. A. senior champions. They fought hard, and are rightly entitled to the famous Robertson bowl. They defeated Queen's team by 5 goals to 1 on Saturday night and won the round by two goals.

The teams were practically the same as met last Wednesday in Toronto.

J. Ross Robertson, M.P., President of the O. H. A., dropped the puck for the draw off, and a lively game ensued. The Wellingtons scored one goal in the first half, and in the second added two more, Queen's also making a goal. As the first game resulted 3 to 1 in Queen's favor, this left the teams tied on the round, 4 to 4. It was decided to play five minutes at each end, and the two teams watched each other and fought for goals. The ten minutes were spent without result. Another ten minutes was ordered, and again the minutes flew by without scoring. Again another ten minutes was ordered. This time the Wellingtons scored, amid considerable applause, and repeated the trick before time expired, winning the game by 5 to 1, and the round by 6 to 4.

HOCKEY.

HALIFAX WAS EASY.

Montreal, March 6.—The Shamrocks easily defeated the Crescent hockey team of Halifax by 10 goals to 2 for the possession of the Stanley Cup last night in the Arena. The Shamrocks were superior at all points. They used lighter boots and skates, had better combination, were cleverer stick-handlers and were better posted on the fine points of the game. The Crescents, however, were fast.

LONDON CHALLENGES QUEBEC.

London, March 6. — The London hockey team, intermediate champions of Ontario, have challenged the Crescents, the intermediate champions of Quebec, to play for the championship of Canada. Hon. Mr. Carling has promised to provide a suitable trophy for the winners. If the eastern men accept two games will be played, both in London, the team scoring the greatest number of goals in the two games to get the trophy.

SIMCOE BEATS PARIS.

Simcoe, March 7.—Paris came over last night to play their final game in the C. O. H. A. with Simcoe, determined to win, as on this game rested their chance of winning the cup. Both teams were in good condition and the ice was in splendid shape. Owing to the disagreeable day the crowd was not as large as the game deserved. Paris put up a good combination, while Simcoe's individual play was first class. Simcoe rushed the Paris goal, but Paris got after it, and scored in about a minute and a half. Simcoe then scored five goals, but at the end of the half the score stood 5 to 5. When the teams lined up again Simcoe was right after the puck and scored in a quarter of a minute. During the remainder of the half Paris scored 2 and Simcoe 4 more, making the score stand 10 to 7 in Simcoe's favor. The play was very fast and clean. No men were sent to the wall, and there were very few off-sides. Frazier, of Paris, refereed the game.

CHAMPION OF THE POINTS GAME.

Winnipeg, March 7.—R. H. Dunbar, the champion curler of the west, a member of the Winnipeg Thistles, established a new record at points play yesterday, making 60 points out of a possible 72. Last year the highest score made at points in the competition conducted by the Ontario Curling Association was 44.

TOO FAST FOR HALIFAX.

Montreal, March 8.—The Shamrocks had a perfect cinch last night with the Crescents, of Halifax, in the final game for the Stanley Cup, the champions whitewashing the visitors by a score of 11 to 0. There was no change in the teams.

It was apparent from the outset that the visitors were not in the same class with the champions, whose fast work and splendid combination plays were altogether too much for the visitors. Several of the members of the Crescent team, especially McInnes and Crockett, showed some very fine individual playing, but the team playing was weak, their shooting very poor and they failed time after time to score.

The Shamrocks took game after game in quick succession, the score at the end of the first half being 7 to 0 in Shamrocks' favor.

Hamilton Times – March 8, 1900

Hockey, as played by bicyclists, was seen at the Victoria Rink last night, but as most of the cyclists were more or less expert stick handlers an interesting game was seen. The contestants were the Crescents and Hamiltons, and the former scored at will. They were in better form than their James street fellow-wheelmen, for the latter lost their wind early in the game. At half-time the score was 6-1 and at the finish 13-1 in the Crescents' favor. Kerr played the best game for the Hamiltons, and all the Crescents did good work, although Dalton was the individual star. The teams and officers were:

PRODUCED A BOGUS TELEGRAM.

Toronto, March 10.—A meeting of the Ontario Hockey Association was held last night for the purpose of discussing the amateur status of numerous players.

The first case taken up was that of Guy Curtis, regarding his trip to Brooklyn. The verbal statement he gave was considered satisfactory, and he will be asked to put it in writing.

The Guelph Nationals had been notified that they would have to answer to the charge of professionalism. Only one of the seven put in any defence—Howell—and he produced a telegram offering him a situation on the Victoria team, of Hamilton, and also one from Welland. His idea in showing these was to show that he did not want to be a professional. This did not go, and the whole of the seven were declared professionals.

Two cases are being investigated, that of Lindsay, for playing two of the suspended Collingwood players, and the row in Kingston in the R. M. C.-Peterboro' match, in which the Peterboro' goal umpire claims he was assaulted.

In regard to the telegram produced by Howell, alleged to have been sent him offering him a situation on the Victoria team, it can be said that there is a job in the thing. The Victoria club never wanted Howell, and neither the club nor the executive ever wired him or authorized anyone else to wire him. Moreover, he would not be allowed to play on the Victoria team, even if he were a permanent resident of Hamilton.

AFTER THE PUCK.

Woodstock defeated Paris last night by 7 to 5 and won the Central Ontario championship and the Fowkes cup.

Welland defeated Niagara Falls by 17 to 1 last night.

THISTLES DEFEAT GRIMSBY.

The Hamilton Thistles defeated the Grimsby Junior Hockey Club at the Grimsby Rink last evening, in a rough and hard-fought game on wet ice, by a score of 3 to 2. The teams were:

Thistles—M. Watson, goal; L. H. Glassco, point; R. Montague, cover; G. B. Glassco, F. Macpherson, R. Macdonald, E. Payne, forwards.

Grimsby—Harrison, goal; Nelles, point; Farrell, cover; Culp, Mabey, Blair, VanDyke, forwards.

Hamilton Times – March 10, 1900

As there was no ice at the Thistle Rink the city championship hockey match was played at Victoria avenue rink on Saturday evening, and the Vics succeeded in easily defeating the representative seven from the Bankers' League, by the score 15 to 3. The ice was in splendid condition considering the mild night, and the large crowd of spectators enjoyed witnessing the game the more, not having to suffer from the chilly atmosphere which usually accompanies the sport.

The Vics were in good form and outplayed their opponents in almost every respect. They gave an excellent exhibition of team work and maintained an effective defence that kept the puck at a safe distance from the goal. The members of the bank team and the disadvantage of not having practiced together previous to the match, and their playing was ineffective in the first half, when the score stood 9-0 in favor of Victorias. There was some brilliant playing on both sides in the second half. The bankers did more combination playing, and Fraser and McKay got in some speedy shots on goal, three of which were effective. The Vics played the defensive in the second half, but managed to run up their score by six goals on individual rushes. At time the game was 15-3 in Vics.' favor.

The teams and officials were:

LONDON WON THE FIRST.

London, Ont., March 12. —London defeated the Aberdeens, of Ottawa, on Saturday night in the first of a series of games for the Carling Cup by a score of 6 to 5. The game was the fastest and cleanest exhibition of hockey ever seen in Western Ontario, and the score very accurately indicates the way the play went. Both teams were in the pink of condition, and the last five minutes were just as fast as the first. The first half was played under the Quebec rules, and at its conclusion the score was 3 all. In the second period, under O. H. A. rules, the home team added three, while the Ottawa boys notched but two. The clubs are the intermediate champions of Ontario and Quebec respectively.

THAT OFFER TO HOWELL.

Speaking of the offer which Howell, of the Nationals, is alleged to have received from the Victorias, of this city, the Mail and Empire says: "Perhaps the President does not know everything that is done on behalf of his team. The request to have Howell come to Hamilton and the promise to "see what we can do for you," were written on the letter paper of one of the departments of the civic corporation of Hamilton, and signed by Thomas Morrison, jun. If he has nothing to do with the Victorias that lets them out, but it doesn't dispose of the statement that Howell was wanted in Hamilton to play hockey, and that he refused to hearken to the voice of the tempter.

Hamilton Victorias ...	5	3	1
Grimsby	5	4	0
Dundas	3	5	1

The Victorias will play the only remaining game in Dundas to-morrow night. Should Dundas win the Vics and Grimsby will be tie, and home and home games will then have to be played between these two clubs.

Hamilton Times – March 13, 1900

What may be the last hockey match of the season in this part of the country will be played to-night at Dundas, when the Victoria and Dundas clubs will meet in a scheduled Niagara district championship game. Advices from Dundas are to the effect that the ice and the players there are in fine condition—particularly the players. The Vics. play better combination than the boys of the valley, but the latter are heavier and stronger, and are good finishers. Should the Victorias win, their season will be over. If they lose, they will have to play home and home games with Grimsby. Teams for to-night:

CITY CHAMPIONSHIP.

To-morrow night the final game for the city championship trophy will be played at the Thistle rink between the Victorias and the Bankers. The Victoria team will be the same as given above, and the bank seven will be as follows: Goal, Weatherston; point, Nichol; cover-point, Logan; forwards, Watson, Fraser, McKay, Kelaky.

Before the city championship game the juniors of the Victorias and Bankers will have a game.

Hamilton Times – March 16, 1900

The first of the two deciding games for the Niagara District hockey championship was played last night in the Victoria Rink. The game was late in starting, owing to the non-arrival of one of the Vics. players, the puck not being faced off till nine o'clock. The Grimsby seven started in to make a runaway race of it, scoring two goals before a minute of play had elapsed. Considerable rough work was done in the first half, Teeter, of the visiting team, appearing to think that he needed the scalps of the Hamilton boys as a memento of the occasion, but the referee didn't see it that way and ruled him off for five minutes, after which his work was much cleaner. The Victorias' combination was good at times, but the superior weight of the Grimsby team told against the local players. The score at half-time was 5 to 2 in favor of Grimsby, to which the latter added six in the second half, the Vics. scoring only three times, making the final 11 to 5. The teams and officials were:

Grimsby.	Victorias.

The final game will be played in Grimsby at an early date, and if the Victorias practice faithfully they should be able to overcome the 6-goal handicap they will have to face.

AFTER THE PUCK.

City championship game, Victorias vs. Bankers at Thistle Rink to-night.

There will be a junior game at the Thistle Rink this evening at 7.15.

The Victorias are the champion hockeyists of Hamilton. They earned this title Saturday night at the Thistle Rink, when, with a picked team of the Bankers, they held the strong handlers of the long green down to two goals. While only managing to notch the same number of times themselves, their surplus of 12 goals from the previous Saturday did the trick. The game was exciting, as the score indicates, and a fair crowd tried to keep warm by liberal applause and stamping of feet. As usual, some rough play was indulged in, and Coombes was ruled off, a Banker going to the bench with him. McKay injured his leg and had to retire shortly before the finish. As an exhibition of hockey, it was not the best ever seen. The score at half-time was 1 to 0, in favor of the Vics. If the ice holds out another game between these two teams would prove interesting. The teams and officials:

BOERS VS. CANADIANS.

The local hockey clubs, the Victorias and the Bankers, each having given its best "gate" for the benefit of Tommy Atkins in South Africa, are going to give a South African war game to make up the deficit. It will be played at the Victoria Rink on Thursday night. Kruger will defend the Boers' goal and Lord Roberts the British. The teams will be in the uniform of the two armies, and the fun will be great.

Hamilton Times – March 19, 1900

Grimsby Hockey Club won the championship of the Niagara District Hockey League by defeating the Victorias, of this city, in the second game of the extra series to decide the tie between the two clubs. The game was played at Grimsby last night. In the first game the Grimsby club had a majority of six goals as the result of the play here last Friday night, and last night this majority was increased by two. Last night's game was a close one, and pretty well played, though not really a scientific game. The score was 8 to 6 in Grimsby's favor. The teams and officials were:

Victorias.	Grimsby.
Goal.	
Morden	Smith

Leith	Howitt
Coverpoint.	
Donnolly	Gibson
Forwards.	
Armstrong	Teeter
Yorick	Hughes
Coombs	Pringle
Dunkley	Coon

Referee—Markle, Dundas.

Goal Judges—Carpenter and Montague.

The Victorias lost the championship of the district not because they were an inferior team, but because the players could not be got together for any of the recent matches or for regular practice. At none of the last three games, the deciding games, was the team up to full strength.

THE BOER-BRITISH GAME.

Hockey will wind up for the season here on Thursday with the great comedy game at Victoria rink for the benefit of the Victorias and Bankers, both of which clubs are out of pocket on account of having given their best receipts for patriotic purposes. The game will be between Boers and British, with Kruger and Joubert and Steyn and the rest of the South African Dutch leaders and their whiskers and flags of truce on one side, and Bobs, the iron chief, Buller, White and other British generals on the other. The game should be very funny.
